T.S. INTERNATIONAL SCHOOL is a distinguished educational institutions operated under the Shanti Educational Trust. School was established in 2018 with a committed vision to foster the holistic development of children by integrating quality education with a strong emphasis on sports.

OUR MISSION

"To build a vibrant educational environment that nurtures creativity, integrity, and leadership, shaping students into empowered citizens of tomorrow."

T.S. INTERNATIONAL SCHOOL is in the continuous process of providing good guaranty of overall development. We are only input in the whole process in the development of child. We're going to benefit accelerate education with value. It's not enough to teach a person how to drive a car, we must teach how to drive safely. I think that we have a very important role to play in shaping a child's-value system. The person that a child trusts next to his/her mother and father is his/her teacher. It is huge responsibility that a school career on his shoulders in shaping a child. A good school must endeavors to provide the environment and input for the child's development in the terms of value attitude skin and knowledge.

We will always try to inculcate in the child in a deep desire to contribute to his fullest and leave world better than what he inherited. We are trying to make the child value driven hard working and intelligence. We are sharpening the mind because a sharp mid can be understand sharp and it is the aim of education. We are training the student that for success they must work sincerely and do not give up.

OUR VISION

"Our mission is to provide a nurturing and intellectually stimulating environment that encourages curiosity, critical thinking, and creativity. We aim to develop responsible, compassionate, and confident learners who are prepared to face future challenges with integrity and excellence."
